Launch into rocketry with HARA!

For more than 35 years HARA has promoted amateur rocketry as a tool for teaching mathematics & the physical sciences through our innovative & hands-on flight opportunity programs. Our diverse club membership shares an affinity for rocketry, ranging the full spectrum from model rocketry to experimental high power. Our meetings expose you to everything from the fundamentals of rocketry to what is trending in state-of-the-art research here in the Huntsville area. Our workshops & build sessions help you develop rocket construction skills, & our regular rocket launches provide you the opportunity to fly your projects & advance your hobby in a safe environment. Our mission is to help you get the most out of amateur rocketry.

Thinking of starting a TARC team?

HARA has long proven itself a nation-wide leader in TARC team development. HARA hosts Team America Rocketry Challenge (TARC) rocket design classes to prepare students and mentors to qualify for the TARC nationals in Washington D.C.

Why you should join HARA.

HARA members will enjoy new benefits in 2017.

Access HARA's exclusive members resources!

Want to access or share more rocketry resources? Login to the members only area!

Save on launch fees!

A \$5 launch fee at each launch helps cover the cost of equipment upkeep. Since your dues are already doing that, you won't be charged again.

Discounts to Vendors!

We want you to buy from our friends & local vendors. They support our launches & want your business. Get up to 10% off rocket supplies at Madcow Rocketry, 10% off at Wildman Kentucky, and 15% off parachutes from b2rocketry.com.

Community!

Rocketry is more fun in a club! HARA is an award winning chartered section of the National Association of Rocketry (NAR) & the Tripoli Rocketry Association (TRA). Whether you're a beginner, expert, student, or adult, HARA is your ticket to maximum enjoyment of rocketry!

HARA meets @ 7:30pm on the first Thursday of each month @ NASA's Educators Resource Center
1 Tranquility Base, Huntsville, AL 35805

Application Instructions:

NAR & TRA Information:

- Are you a member of NAR or TRA?
- Circle your certification level.

Membership Types:

- An individual member is 16 years or older, has full privileges, & voting rights.
- A family membership includes the immediate family (spouse & children under 18). They have full privileges, but count as one vote.
- Please check if you are renewing your membership or are a new member.

How to Join:

- Tear off slip & return to a HARA officer or mail with payment to:

HARA ROCKETRY
126 Southwood Drive
Madison, AL 35758

- The membership year begins in March.
- New member dues are prorated through the flying season.
- Make checks payable to 'HARA Rocketry'.
- Write "Membership 2017" on the 'for' line.
